"I enjoy the RCRA shows the best. They are always smoothly ran and organized. They run on time."

"I really enjoyed the Pickering Horse Center shows. I felt they were well run, on time and very fun. They also have great prizes and kind staff."

"Zone Classic Organized, well run show with friendly professional staff and great class options. The effort put into sponsors and prizes makes this show stand out."

"TAP This is the best show every year. The best place to show. Fun and well organized. Fantastic prizes"

“The old school handy hunter! Where you had to do a derby course, but also open/close a “gate”, put on a rain coat, pick up a toy off a tree. There must still be videos of these being held at Palgrave. Also a more traditional derby course would be lovely in the GP ring at Palgrave. Or on Sundays at the other venues if it makes sense for time wise...I know they aren’t all set up to handle any more.”

“2’ derby options (like at PHC) Adult leadline ! Hack Classic - more opportunities for flat riders to wear their shads!!! (Nervous adults like to dress up too....)”

“A Hunter Derby and a Team competition of 5 declared riders, the top 3 riders scores are calculated at each show, one rider from each division, team scores calculated throughout the year with a team championship and individual rider championship awarded at year end.”

What was your favourite horse show prize received this year?

"I loved PHC's tickets to pick something at the office. I received great gift certificates this year, a fancy embroidered pillow. Wine in the adult divisions was a fun touch."

"The wine from Theresa Hoffman, one of the few prizes I won not collecting dust and that I enjoyed"

"N/A. With RCRA holding majority of shows it would be nice to see efforts made to provide proper prizes."

"Model Performance class at Zones - extra large rosettes with the class printed on the tails were very classy. Would like to see improved ribbons in bronze level divisions - especially because those kids don't go on to champs"

What can horse show organizers do to improve your CE horse show experience?

What can horse show organizers do to improve your CE horse show experience?

“RCRA schedules are inefficient. Reintroduce ponies and lower height divisions on Friday”

“Trilliums at PHC need to run more efficiently. JHHS can run more classes in a day and finish 3-5 hours earlier than a trillium at PHC”

“Clearer in-gate management - there seemed to be a lot of line cutting this year and rings standing empty leading to sluggish days. Only have one jog/division was also unfortunate - particularly because of the missed opportunity for the “winning jog” shot”

“Less shows, less non core divisions. All three show organizers run professional, organized shows but division numbers are low. We’re one of the more expensive zones with many trainers looking to other zones for lower show count numbers and more affordable horse shows.”

“More venues, less overall shows and better judging”
